# 50

**Meet modulyss.** In a selection of 50 projects around the world. Each one as different from the next. Because that's what we do best: make carpet tiles that bring out the distinctive character of a space. The fact that so many renowned architects, designers and other decision makers in commercial projects select our modular flooring solutions to shape their projects makes us proud. So proud that we wanted to share it with you.

Thinking about your next project? Inspiration is just a page turn away.
