

Harlequin Allegro™

Harlequin Allegro is the thickest roll-out dance floor available worldwide and provides great protection for dancers due to its point-elasticity and slip-resistant dance surface.

Harlequin Allegro is ideal for contemporary, modern, hip hop, jazz and street dance, as well as aerobics and zumba, as it can help to reduce performer fatigue and impact injuries.

Harlequin Allegro is a substantial heavy-duty floor. It's specified for permanent installation within dance institutions, dance studios, schools and gymnasiums, although it can also be utilised as a loose-lay option.
